

Flow Chart for Visitor Visa Application

Health Certificate

A health certificate issued within the past three months either by one of the designated local hospitals in Taiwan ([list attached](#)) or by a licensed foreign hospital or clinic. In the case of a foreign certificate, the applicant should have it authenticated by the ROC Embassy, Consulate or Mission, which has jurisdiction over the place where the documents are issued. The required items for examination are provided in [the bulletin](#) and subject to changes of health policies determined by the health authority.
